On Saturday, June 24, 2017 Supreme Ventures Racing & Entertainment Limited in association with Wisynco Group Ltd. will stage **THE 97th running of THE (BOOM) JAMAICA DERBY (GR.IR)**. This prestigious day of racing will offer 11 races.

(I) The **97th** running of **THE JAMAICA DERBY (GR.IR)** will showcase Jamaica's Best Native Bred Three-Year- Olds competing over 2400 metres or 12 furlongs for a total purse of **\$8 million** inclusive of **\$3 Million** from our sponsor Wisynco Group Limited. The Derby will be run in honour of the first Chairman of the Jamaica Racing Commission, Sir John Mordecai.

THE 97th running of THE JAMAICA DERBY (GR. IR)

THE DERBY was first run in Jamaica in 1921 and was won by a horse called **BUCK DANCER**. Since its inaugural running all Breeders, Owners, Trainers, Jockeys and Grooms not only have as their sole aim the winner's share of the \$8 million purse of \$4 million, but mostly the Prestige, the Pageantry, the Tradition and the Glory that comes from winning or competing in the greatest Classic in any horseracing jurisdiction in the world, THE DERBY. Added to that dream, is the fact that a thoroughbred has ONLY ONE chance in its racing career to compete in THE DERBY.

THE JAMAICA DERBY (GR.IR) is run over the grueling distance of 2400 metres or 1.5 miles and is a true test of speed, stamina, courage and class of these Beautiful Thoroughbreds. It is also the second leg of THE JAMAICAN TRIPLE CROWN, which is made up of THE GUINEAS CLASSICS, THE DERBY and THE JAMAICA ST. LEGER.

Over the past 96 years some magnificent thoroughbreds have galloped their way into the history books and the hearts of millions of fans who have walked through the turnstiles of Knutsford Park and Caymanas Park since 1921:-
